

## COVID-19 Update | Free Shipping for Our Valued Patients

As our team works closely with partners responding to the rapidly changing business environment, we remain committed to servicing patient needs and are taking necessary actions to ensure continued access to medical cannabis for all.

To that end, effective Tuesday, March 17<sup>th</sup> 2020, Aleafia Health has temporarily suspended the \$100 minimum order size for patients to qualify for Free Shipping - this benefit will be extended to all patients.

Explore our complete range of oils, capsules, oral sprays and dried flower to learn more about the options available to support your journey to health and wellness.
